How to Book a Flight

Having your travel booked is one of the final, critical steps. Airlines and authorities require specific information, so make sure you have everything ready before you begin.

Items / Information You'll Need

- ☐ Full legal name (exactly as on your passport)
- ☐ Date of birth
- ☐ Passport (valid at least 6 months past your return date; have the number ready)
- ☐ Payment method (credit/debit card — call your bank first to raise limits and avoid blocks)
- ☐ Starting airport & destination airport
- ☐ Travel dates
- ☐ Contact details (email + phone number)

Step-by-Step Booking

- Go to the airline or booking website of your choice.
- Enter departure location (airport).
- Enter arrival location (airport).
- Select travel dates.
- Choose number and type of passengers (adult/child).
- Search available flights.
- Select the flight that works best (choose Economy for lowest price).
- Enter your contact information.
- Enter your passport and personal details (repeat for each passenger).
- Enter your payment details.
- Confirm payment and save your confirmation email/ticket.

Tips & Warnings

- ⚠️ Passports: Must be valid 6+ months past your intended travel.
- ⚠️ Payment: Some banks block large or international transactions. Call your financial institution before booking.
- ⚠️ Keep copies: Save your e-ticket to your phone and print a copy if possible.
